Part Two: Situation of Integration (06 Points) — Model Paragraph

Suggested Paragraph: My Dream Job and the Importance of Money

When I graduate from university, my dream job is to become a successful software engineer. Having a stable career is very important because it allows me to earn money, pay my bills, and have a safe place to live. With a steady income, I can buy things I need and do the things I love, such as traveling and supporting my family. Without money, we cannot

do much in life. Therefore, working hard and securing a good job will help me achieve financial independence and build a happy, comfortable future.
