

FIRST TERM ENGLISH EXAM (CORRECTION & FORMAT)

Standardized Examination Paper & Detailed Correction

TEXT: TRAVELLING TO BRITAIN

Britain is, in places, beautiful and rich in historical interest. Still, there are some points worth considering if you intend to visit. Firstly, the weather. No matter what the time of year, the weather is unpredictable. You will need a variety of clothes and an umbrella so as to be always prepared.

Secondly, visitors from certain countries will have to get a visa if they haven't got one. Most people who come to England visit London at some time. Like plenty of other large cities around the world, it is rather expensive. You should become familiar with the local currency in order to avoid being cheated by dishonest sales assistants, waiting staff or taxi drivers.

As a tourist, you will probably want to go sightseeing, so don't forget to bring comfortable shoes. If you want to see the best of the British countryside on foot, in Scotland, for example, you would be wise to seek the advice of local people before going up into the hills. They'll tell you the best places to go to experience that wonderful scenery.
