Task: Write an article for your school magazine on the recent Algerian military plane crash using the provided information.

Tragic Algerian Military Plane Crash in Boufarik

On Wednesday, April 11th, 2018, a tragic aviation accident shook the nation. An Algerian military plane crashed at 07:55, right after take-off, in a field next to the airbase of Boufarik while heading to its destination in Tindouf.

This horrific disaster resulted in a massive loss of life, causing the death of 257 people, including 10 dedicated crew members. The entire nation mourned this catastrophe, which remains one of the deadliest military plane crashes in modern history. Our deepest condolences go out to the families of the victims.
