(0.5 pt per correct classification = 02 pts)

Part Two: Written Expression (06 Points)

Model Paragraph: Martyr's Memorial (Maqam Eshahid)

Algeria is rich and famous for its outstanding landmarks and monuments throughout the country. One of the most iconic landmarks is the Martyr's Memorial, locally known as Maqam Eshahid. It is located in Algiers, the capital of Algeria. This majestic monument was opened in 1982 and was designed by the famous Algerian architect Bachir Yelles. It stands very high, reaching about 92 meters in height. The main purpose of this grand structure is to commemorate and honor those who died for their country during the Algerian Revolution. Today, it remains a powerful symbol of national freedom, pride, and remembrance for all Algerians.

Assessment Grid / Rubric (Barème de Notation):
