## Part Two: Situation of Integration (06 Points)

### Model Paragraph: The Great Mosque of Algiers

*The Great Mosque of Algiers (Djamaa El-Djazair) is one of the most magnificent landmarks in Algeria and the third largest mosque in the world. It is located in the capital city of Algiers. The construction of this iconic landmark began on April 16th, 2012, and it was officially inaugurated on October 28th, 2020. Designed by the German architect Jurgen Engel, it covers a massive area of 400,000 square meters. Its minaret stands at an impressive height of 265 meters, making it the highest in the world. It is a true architectural masterpiece and a source of great national pride.*

### Assessment Grid / Rubric (Barème de Notation):

| Criteria                | Indicators                                                   | Pts           |
|-------------------------|--------------------------------------------------------------|---------------|
| 1. Relevance of Content | Write a descriptive paragraph using all information from the | <b>02 pts</b> |
